

Montrose County Event Center Sponsor Deck

We want to introduce a phenomenal opportunity for businesses and sponsors to partner with the Montrose County Event Center to promote to their customers in a brand new multi-use facility, unprecedented on the Western Slope of Colorado. With the completion of the 93,000 square foot, 1750 permanent seat, and over 4500 person capacity indoor arena/event center, it has created endless potential for businesses to capitalize on the attendees of the multitude of events planned for this facility. As of the end of 2019, over 80,000 plus have attended a multitude of events at this facility, since its inception in the Spring of 2018.

As a Montrose County Event Center Partner, your company will be one of a very exclusive group of businesses that will have the opportunity to create a brand partnership on a year round basis with our diversified lineup of equine and sporting events, concerts, family shows, conferences, trade shows, and other events. Your company will have the ability to creatively establish brand awareness, while positioning your branding messages in the direct path of your target audience. We will partner with you to create complete marketing programs that will focus on activating your brand and driving new revenues.

A sponsor partnership can offer your company an integrated marketing package to enhance the company brand with high-impact visual advertising and visually effective displays to meet your specific marketing agenda. Arena signage, event sponsorships, website, social media, video, print advertising and promotions are a few ways the Event Center can reach any target audience.
